MEMORANDUM FOR: Gray Phone Coordinator
25X1A9a

ATTENTION: [REDACTED]

SUBJECT: Relocation of a Gray Phone

1. It is requested that a gray phone be provided for OSI's Intelligence Production Staff in Room 6F44 in the room recently acquired by that Staff for its editors. It will be used mainly in the discussion of special intelligence drafts scheduled for publication. The gray phone now in the "Justewriter" room in 6F44 can be shifted to the new room. A diagram showing the exact location is attached.

2. It would be acceptable but not essential that this gray phone retain the extensions 8232 and 8233.
